Re: Second Written Request for Annual Report for the Year 1995

Dear Mr. Bierschied:

As of this date, we have not received your annual report for the Radium King mine, file number M/037/007, located in Grand County, Utah. We have contacted you or your wife several times and after our last conversation on March 13th, another form was forwarded to you. You agreed to send it to us, but we have not yet received the report.

The Utah Mined Land Reclamation Act, Title 40-8-15, subsection (2) and Rule R647-3-116.1 of its interpretive rules, require a mine operator to file an annual report with this Division by January 31st of each year. This report is required regardless of mine activity, unless the Division grants a written waiver from the annual filing requirement, or the operator receives a formal release from continued reclamation obligations from the Division. Your failure to file this report, may constitute a violation of the Mined Land Reclamation Act, which could result in the issuance of a Notice of Noncompliance and/or a formal Notice of Agency Action.

We assume that your failure to return the completed annual report form was, again, an oversight. Accordingly, we are once again requesting that you submit the required report to this office. Please return the enclosed annual report form no later than April 15, 1996. Please contact me or Tony Gallegos of my staff if you cannot meet this deadline or have questions or concerns in submitting the report. Thank you for your cooperation and prompt attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "D. Wayne Hedberg".
